Adult Involvement:

Babies and Toddlers – Student is accompanied by an adult.
 Levels 1, 2, and 3 – Adult attends the last 15 minutes of class to participate in group activities.

All Classes use **Musikgarten™** curriculums.

Students participate in listening of famous repertoire, rhythmic motor enhancement, and group instrument playing. For the younger children, this class provides non-stop musical fun using simple instruments such as bells and shakers. The teacher leads adults in singing and musical activities while the children imitate what they see and hear. For the older children, the class will emphasize ear training, rhythmic patterns, and introduction to reading music notation. This course is intended to build the skills necessary for future success in a wide variety of musical training.
