Down By the Bay

Creative Arts Camp for Pre-Schoolers

3 ½ to Completed Kindergarten

July 9 - 13, 2018

9 a.m. – 3 p.m. with option to stay until 5:30 for an additional fee

Children are invited to explore the seaside and ocean ecosystem through music, art, drama, and science. We will read books, and then enact some of the stories. We will look at shells and creatures and plants of the sea and land, and then explore them through art, music, and science activities. Taught by three teachers with extensive experience in early childhood education, our time together will be filled with pretending, singing, music-making, games, movement, and creative art. Guest artists will demonstrate instruments and interesting art processes.

Class size is limited to allow lots of individual attention so sign up now for non-stop fun! *(And the earlier you sign up, the better the discount!)*

Ms. Terry, Ms. Judy, and Ms. Doris
